

**POLYFLOR™**  
COVERING THE WORLD

## BE INSPIRED BY NATURE

Designed exclusively for the Australian lifestyle, Polyflors' latest collection MiPlank has been carefully created by a team of local interior experts. The collection features 15 planks inspired by natural timber, each containing unique knot and grain detailing; ensuring that each plank has its' own unique appeal. Made for busy families, MiPlank features a PUR coating that makes it easy to maintain. Whilst the thicker and longer design of the planks, mean MiPlank is easy to install and adds a feeling of spaciousness to any room. With shades ranging from light, washed pines and oaks to rich, dark smoked timbers; MiPlank has a species perfect for any home.
