## LUXURY FROM THE GROUND UP

The Expona Commercial flooring collection was developed to create the finest commercial interior spaces which all starts with the floor. Expona Commercial features a plethora of wood species, natural stone and abstract designs with surface textures for an authentic appearance. The large collection of cutting edge trends are suitable for commercial and also residential applications. The environmentally preferred range is 100% recyclable and Silver Level A Rate GreenTag certified. A room cannot exist without a floor so for a truly inspirational space, Expona Commercial is the perfect solution.
